Arihant Roto Products Private Limited

<https://www.arihantroto.com/>

Established in the year of 1998, we are one of the leading **manufacturers, suppliers and exporters** of wide range of **multilayer water and material storage tanks & containers**, Available in different shapes and sizes.

About Us

Incepted in the year 1998, **Arihant Roto Products Pvt. Ltd.** has emerged as an eminent **manufacturers, exporters and suppliers of durable water and material storage tanks/containers.** Our range of water tanks are promoted **under the brand name of “Kuber”**, whereas the containers and other products are promoted under the brand name of “Arihant”. Under the able leadership of our mentors, **Mr. Sudhir Jain & Mr. Shanti Sarup Jain**, we have geared to leave footprints through our qualitative water storage tanks and containers.

Our state-of-the-art manufacturing unit along with dedicated engineers' leaves no stone unturned to design and fabricate dimensionally accurate storage tanks. Innovation through broad research and development work has been the guiding force behind producing wide range of efficient and high performance heavy fabrication equipment. We are also supported by a team of quality inspectors who make sure that we deliver flawless product of international standard.

We have wide network system that helps us in effectively catering our widespread clients. In addition it also ensures that the product reaches our clients' site within the stipulated time frame.
